Summer 2024

Dear Camp Staff and NYLT Member:

Thank you for working or volunteering with the Greater Colorado Council, BSA for this upcoming summer 2024!

**Please enjoy 25% off on your purchases at the Denver Scout Shop. This can be used for most items, some exclusions apply. Bring this letter to the Scout Shop and present it at the time of purchase.**

Cannot be used online or at any other store. Some exclusions apply. Expires July 31, 2024.

As a reminder, paid McNeil Scout Ranch Staff will have the Venturing Field Uniform as part of the standard uniform this season. While the camp can provide you with one to borrow, most people feel more comfortable in their own. We also offer sewing services and can sew the MSR Camp Staff Council Shoulder Patch on to the uniform!

Thank you again for being part of the Greater Colorado Council team and making a difference in the lives of many youth.

Willie Rochester  
Support Services Manager
